

**THE SEMI-WEEKLY NEWS**

The Great Country Paper of the West.

Issued Mondays and Thursdays and Contains All the Cream of the Daily and Saturday News.

**LOCAL BRIEFS.**

**Horticulturalists to Meet.**—A meeting of the Salt Lake County Horticultural society will be held at the City and County building, Saturday, April 17, commencing at 1:30 o'clock.

**Freelance Dead.**—B. F. Anderson is in receipt of word from Ripon, Wis., of the death of his step father, Fred Barnett, who had a number of other relatives and friends here.

**State Fair Attractions.**—N. H. Holsen of New York who furnished attractions for the state fair last year is at the Wilson. He is conferring today with Secretary Ensign on attractions for the next state exposition.

**Exhibit to be Retained.**—The Real Estate association has taken charge of the Chamber of Commerce exhibit which is to be made larger and more complete for the special dedication of the visiting Elks in July and the G. A. R. in August.

**New Church for Lutherans.**—The Danish Lutherans are preparing to have a \$15,000 church edifice by July and enough money has been raised to pay for the foundations and basement. The building will be of red brick, and of Gothic style of architecture.

**Salt Lake Attractions.**—Among the New York Hippodrome attractions slated for Salt Lake this season are included the "Birds" Ballet, the "Battle of the Skies," and "A Trip to Mars." The Salt Lake pavilion and the Denver auditorium are said to be the only two places in the west where such exhibitions can be given.

**Publishes Van Vorst's System.**—The last issue of the Bulletin of the American Institute of Bank Clerks contains the paper read at the last meeting of the Salt Lake Chapter by L. C. Van Vorst of Walker Bros. bank, on "Bank Book keeping." Mr. Van Vorst's system is in use in a number of Salt Lake and other banks.

**Governor Arrives Wednesday.**—Governor William Spry will arrive in Salt Lake Wednesday and take part in an Arbor Day celebration at the capital grounds consisting of the planting of about 30 trees. The ceremony will take place at 10:30 o'clock and will be participated in by the state officers and the house of representatives. The general public is invited to attend.

**Another Investor Here.**—Thomas L. Miller, vice president of the West Coast Life Insurance company, is a Salt Lake visitor this week. While here he will look over the field with a view to possible investments by his company. Much of the company's money has gone to the rebuilding of San Francisco, and now the concern will reach out to other western localities in the placing of loans.

**Faculty Endorsed.**—At a meeting of the board of regents of the University of Utah, yesterday, the entire faculty as recommended by President Joseph Kingsbury was endorsed, there being no changes. A number of the instructors, however, have not expressed themselves as to acceptance of the proposed positions. The board took under advisement a number of loans money to students, under certain conditions.

**Lecture on Mining.**—The second popular lecture on mining will be given at the Y. M. C. A. tonight at 8 o'clock by Mine Manager Lewis Bates of the Boston Consolidated mines, who will talk on the subject of "Bingham Mines." The lecture will be illustrated by stereopticon slides, and samples of ore will also be on exhibition. The lecture will also be given on April 27 on the subject of "Mining and Concentrating," by Engineer Howard P. Saunders.

**Thieves in Churches.**—Of late thieves have been operating extensively in churches of this city, stealing from clockworkmen wearing apparel belonging to communicants. C. W. Jacobson lost an overcoat at the First M. E. Church, and another at the Lutheran church. A pocketbook, containing money and a watch, as well as the same church at the Easter service. At St. Mark's cathedral the church women have been out of their hats that hung in the cloakroom, and similar complaints have come from the First Presbyterian church.

**Wants to be a City.**—The residents of Bingham Junction presented a petition to the county commissioners yesterday asking that the city be incorporated as a city of the third class. The document was signed by 165 taxpayers. Bingham Junction now pays \$15,000 taxes and of this amount only \$4,000 was spent last year in public improvements. The city needs a police department and a fire department and the incorporation of a city of the third class will give the taxpayers the opportunity to provide for this protection.

**New Contract on School.**—President H. F. Henderson of the city board of education has called a meeting for 4 o'clock this afternoon to receive a report which is to be submitted by the Fidelity & Deposit company of Maryland, bondsmen for Vonder Horst & Bros., who threw up the contract for the building of the Jefferson school building. It is stated that the bondsmen have selected another contractor to do the work. The bid of Vonder Horst & Bros. was \$71,000. The bondsmen will have to pay any sum above that and above that the new contractor may claim on the work.

**ZION'S SAVINGS BANK & TRUST CO.**  
Transacts a general trust business and pays 4 per cent interest on savings deposits.
